

Bennit

Driven by his deep passion for Drum & Bass, culture, and connection, Bennit has an uncanny ability to reach his audience and deliver a memorable experience by taking the dance floor on an unforgettable journey through raw emotion and energy, keeping his focus on the crowd's vibrancy while blending tune after tune.

Specializing in Techstep, Jump Up, and Liquid, Bennit is known for his ever so moody, sinister, rolling selections, high energy sets, all while mixing with technical precision. Bennit's sound is ever evolving and never holding back. No single set is identical and is always fresh. He is known for cycling through different sounds and subgenres flawlessly throughout his sets, always keeping the room on their toes and guessing what will happen next.
